Sorry if that happened. We'll keep an eye out for it. Thank you.

P.S. Since it appears you are adding items to the appendix above 35 U.S.C. § 144, we may be filing our own appendix with our brief. See Fed. Cir. R. 30(e)-(f).

Mr. Piccolo.

According to USPS an attempt was made this morning to deliver the Express Mail package I sent you on Friday.

They were unsuccessful.

The tracking number is: EQ 985211696 US .

Are refusing to accept USPS Express Mail from me?

Jed Margolin
