Dear Mr. Harris.

As per our conversation today please confirm that NASA refuses to waive legal service unless the Complaint and Summons is sent to NASA by Certified USPS mail, and will not waive legal service if it is sent by USPS Express Mail.

As I explained during our conversation, I sent Acting Administrator Scolese a certified letter in April which USPS did not deliver, and which USPS could not find. Their explanation was that Certified Mail is only scanned into their tracking system when it is mailed and when it is delivered. If it is lost in transit it cannot be tracked.

In addition, according to USPS, Certified Mail is sent to New Jersey to be irradiated (delaying delivery and increasing the chances of being lost) while Express Mail is not.

As a result I do not consider Certified USPS mail to be a viable means of sending a Complaint and Summons to NASA.

If NASA refuses to waive service by Express Mail my only option will be to use a Process Server.

BTW, according to Rule 4 of the Federal Rules of Civil Procedure (December 1, 2008) it looks like I also have to serve:

1. The Attorney General of the United States, Washington, DC; and
2. The United States attorney for the district for the district where the action is brought. That would be The United States District Court, District of Nevada-Reno.

If this is correct, please give me the name and address for the United States attorney for the District of Nevada-Reno.

Sincerely yours,

/Jed Margolin/
