

## **Exhibit 23**

*January 1, 2009*

*To the Storey County Commissioners and the Storey County  
Assistant District Attorney,*

*Several months ago there were some nuisance complaints filed  
about the towers on the Taormina property.*

*We have a petition with about 100 signatures stating we want  
the towers taken down because they destroy the natural beauty  
of the area and are in violation of several county statutes.*

*As of this date, we have not heard of any action being taken on  
these nuisance complaints.*

*Also, in spite of the ADA's letter to Taormina telling him to NOT  
do any maintenance on the towers, building inspector Haymore  
ignored our reports of a man working on the towers.*

*I am formally requesting permission to address the  
commissioners on this matter at their next meeting.*

*Storey County Code Ch. 17.88 Enforcement Section 17.88.010 is  
very clear in stating that public nuisances can be dealt with by  
the District Attorneys office to remove said nuisance. It also  
mentions preventing anyone from maintaining said structure.*

*Storey County Code 17.88 Enforcement Section 17.88.020  
Penalty*

*Says anyone guilty of violating this provision is guilty of a  
misdemeanor and can be jailed and fined.*

*Storey County Code Chapter 15.08 Building Official Duties  
generally*

*states that if the stop work order is not honored, and it hasn't  
been, that the building official has all law enforcement  
authority to enforce said order.*

*NRS 244.360 Abatement of nuisances: Complaint: notice;  
hearing; order; enforcement of order; costs; alternative  
procedures states that this has to be dealt with in 30 to 40 days.*

*I will provide copies of all of these statutes and codes for all the commissioners and the ADA as they go on and get very specific about dealing with a nuisance complaint.*

*I don't mean to be a pain in the butt, but this has gone on way too long and we want the towers taken down legally.*

*Thank you,*
