Re: Proposed Cordevista Development

Dear Sirs/Madams:

I wish to express my opposition to the above-referenced development. A master plan was adopted and zoning requirements instituted that were deemed in the best interest of Storey County. This proposed development is contrary to both the master plan and zoning requirements. What benefit is it to have master plans and zoning requirements if they can be changed at will if someone wishes to do something opposed to both?

Thank you for your consideration.

Sincerely,

Valerie LeBel-Flatley
