To: Storey County Commissioners

From: Bud & PJ Elbrecht

We are writing to express our concern over the proposed Cordevista development and any other development proposed for north Storey County. These are far reaching changes that will effect the overall dynamics of the county. We are quite satisfied with the small community in which we live and have always hoped it would remain that way. We are not willing to spend tax dollars for the myriad of services this influx of population would require. This is a **huge** issue! For this reason, we believe it should be put to a public vote. **The people need to decide!**

Sincerely,
